

# ACS CAN Membership Benefits

The American Cancer Society Cancer Action Network (ACS CAN) is the nonprofit, nonpartisan advocacy affiliate of the American Cancer Society. ACS CAN is dedicated to eliminating cancer as a major health problem and works to encourage lawmakers and candidates to support laws and policies that will make cancer a top national priority. Through ACS CAN, ordinary people can achieve extraordinary results in the fight against cancer.

We are leading a movement of cancer survivors and their loved ones by giving hope and power to everyone who cares about cancer and wants their government to act. ACS CAN will assist you in contacting your representatives to tell them to make cancer a national priority. Together, we CAN make our voices heard.

**Together, we CAN defeat cancer! Join us now!**
