

# 2011 Congressional Calendar

The House calendar put out by Republicans this month aims for a schedule of two weeks on and one week off. That new way of doing things means that the House and Senate recess schedules will coincide less frequently than in past Congresses.

Both in session    
  Senate only    
  House only  
 Both in recess    
 \* House in session, no votes  
 Note: Senate calendar beyond Nov. 11 is uncertain
