

## HOW THEY VOTED

### The Oral Chemotherapy Parity Act of 2010

The Oral Chemotherapy Parity Act was a top priority for the American Cancer Society during the 2010 legislative session. The bill was designed to help cancer patients better afford oral chemotherapy medicines.

On Friday, May 7th, the Oral Chemotherapy Parity Act (SF 1761) passed the Minnesota Senate on a vote of 59 to 5. Below is an alphabetical listing of all Minnesota Senators and how they voted.

A "yes" vote is consistent with American Cancer Society position.
