help urge Congress to  
*Put the Power of the Purse*  
behind cancer research funding.

By becoming a member of the American Cancer Society Cancer Action Network (ACS CAN), you are joining a movement of people who are ready to FIGHT BACK against cancer. Government must play a critical role in defeating cancer, but elected officials aren't doing all they can to make cancer history. That's why we need YOU! ACS CAN will make the voice of the cancer community heard so elected officials will make cancer a top national priority.
