Report of Independent Auditors

Management and the Board of Directors American Cancer Society Cancer Action Network, Inc.

We have audited the accompanying financial statements of the American Cancer Society Cancer Action Network, Inc. (ACS CAN), which comprise the balance sheets as of December 31, 2016 and 2015, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in conformity with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the American Cancer Society Cancer Action Network, Inc. as of December 31, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in conformity with U.S. generally accepted accounting principles.

1. Organization and accounting policies

Organization

The American Cancer Society, Inc. (the "Society"), is the nationwide, community-based, voluntary health organization dedicated to eliminating cancer as a major health problem by preventing cancer, saving lives, and diminishing suffering from cancer through research, education, advocacy, and service.

The American Cancer Society Cancer Action Network, Inc. ("ACS CAN") supports the Society's mission through advocacy for legislation, regulatory actions, and referenda at the federal, state, and local levels, and voter education.

ACS CAN is affiliated with the Society. ACS CAN is also affiliated with the American Cancer Society of Puerto Rico, Inc. ("Puerto Rico"), which is a membership corporation, with the American Cancer Society, Inc. as its' only member. These related organizations are collectively referred to as "Affiliates" herein.

ACS CAN has received a determination letter from the Internal Revenue Service that it is exempt from income tax under Section 501(c)(4) of the U.S. Internal Revenue Code. ACS CAN raises non-tax deductible funds to support its non-partisan electoral advocacy.

Our mission

The following four broad areas guide our outcomes in the fight against cancer:

- Prevention Programs that provide the public and health professionals with information and education to prevent cancer occurrence or to reduce risk of developing cancer.
- Patient support Programs to assist cancer patients and their families and ease the burden of cancer for them.
- Detection/Treatment Programs that are directed at finding cancer before it is clinically apparent and that provide information and education about cancer treatments for cure, recurrence, symptom management and pain control.
- Research Support to fund and conduct research into the causes of cancer; how it can be prevented, detected early, and treated successfully; how to improve quality of life for people living with cancer; and to advocate for laws and policies that help further cancer research.

Our mission program and mission support expenses

ACS CAN's expenses fall into two categories: first, our mission program activities – which are the four areas above, and second, mission support services – expenses incurred to support our mission activities – which include: board governance and oversight; our internal audit function, which provides oversight of our accounting and internal control processes; our shared services organization, which processes enterprise-wide financial and constituent transactions; general infrastructure costs; and the costs of fundraising. Other than our volunteer base, our largest resource – our staff – are represented in both categories depending on their role and set of activities. For the years ended December 31, 2016 and 2015, ACS CAN's mission expenses were allocated to these two areas as follows:

	2016		2015		
Mission program expenses	\$38,036,006	92 %	\$ 36,401,404	92 %	
Mission support expenses	3,265,568	8	3,261,575	8	
Total	\$41,301,574	100 %	\$ 39,662,979	100 %	

1. Organization and accounting policies, continued

Cash and cash equivalents

ACS CAN considers all highly liquid investments with an original maturity of three months or less, when purchased, to be cash equivalents.

Amounts on deposit with affiliates

Pending actual disbursement for budgeted program expenditures, funds are invested in securities designed to maximize resources available for programs while minimizing risk. To help achieve these objectives, ACS CAN participates in the Society's Combined Operating Pool ("COP"). The investment objectives of the COP are subject to limitations defined by the Society's board of directors and are set to provide maximum current income within the approved risk parameters. The portfolio is maintained on a pooled "mutual fund" accounting basis with the total earnings and investment expenses being allocated to ACS CAN on a pro rata basis.

Fixed assets and depreciation

Fixed assets are recorded at cost. Contributions of long-lived assets are recorded at the estimated fair market value at the date of receipt and are recorded as unrestricted support unless the use of such contributed assets is restricted by a donor-imposed restriction. If donors contribute long-lived assets with stipulations as to how long the assets must be used or with any other restrictions, such contributions are reported as temporarily restricted support.

Depreciation expense is recognized on a straight-line basis over the estimated useful lives of the respective assets, as follows:

Leasehold improvements

Lesser of term of the lease or estimated life of the improvement

Furniture, fixtures, equipment, computer

software, and other capitalized assets 3 to 10 years

Contributed services

A substantial number of volunteers have made significant contributions of their time to ACS CAN's program and supporting services. The value of this contributed time is not reflected in the financial statements since it does not require a specialized skill. However, certain other contributed services that require specialized skills, were provided by individuals possessing those skills, and would otherwise need to be purchased if not provided by donation. These contributed legal services assist ACS CAN in carrying out its program advocacy work and are recognized as revenue and expense.

1. Organization and accounting policies, continued

Resource sharing agreements

ACS CAN has entered into Resource Sharing Agreements with the Society and certain affiliates of the Society to share resources, such as office space, furniture, equipment, and personnel.

ACS CAN adopted Accounting Standards Update (ASU) 2013-06, Services Received from Personnel of Affiliate during 2015. The ASU stipulates that the services received should be valued and measured at cost, or should be recorded at fair value of the services provided. ACS CAN recorded contributed service revenue and professional fee expenses in the amount of \$2,275,143 and \$2,380,032 for the years ended December 31, 2016 and 2015, respectively which is related to services received from the Society.

ACS CAN supports the Society's mission through direct legislative and electoral advocacy and regularly receives grants from the Society for direct legislative advocacy efforts. For the years ended December 31, 2016 and 2015, the Society granted ACS CAN \$34,771,281 and \$33,533,000, respectively. These grants are reported as Grants from Affiliates in the Statements of Activities.

Due from affiliates

ACS CAN's Due from Affiliates consists of receivables relating to reimbursements from the grant from the Society for normal operations and mission delivery related grants. As of December 31, 2016 and 2015, ACS CAN recorded a receivable from the Society in the amount of \$1,264,371 and \$1,762,557, respectively. This receivable is included in Due from Affiliates in the accompanying balance sheets and is expected to be received during the subsequent year.

Prepaid expenses

Prepaid expenses are amortized as expenses are incurred.

Due to affiliates

As of December 31, 2016 and 2015, ACS CAN has recorded a payable for personnel and other overhead costs under the Resource Sharing Agreement to the Society in the amount of \$288,936 and \$471,929, respectively. This payable is included in Due to Affiliates in the accompanying Balance Sheets and is expected to be paid during the subsequent year.

Advertising costs

Advertising costs are expensed as incurred. Advertising expenses incurred for the years ended December 31, 2016 and 2015 were \$953,111 and \$565,479, respectively, and are included in Educational materials in the accompanying Statements of Functional Expenses.

1. Organization and accounting policies, continued

Accounting for contributions

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or are restricted by the donor for specific purposes are reported as temporarily restricted support that increases that net asset class. Unconditional promises to give without a stipulated due date and for which ACS CAN has met all conditions precedent to receipt of the contribution prior to year-end are classified as unrestricted revenues.

A donor restriction is satisfied when a stipulated time restriction expires or when a purpose restriction is accomplished. Upon satisfaction, temporarily restricted net assets are reclassified to unrestricted net assets and are reported in the statements of activities as net assets released from restrictions. Temporarily restricted contributions received in the same year in which the restrictions are met are recorded as an increase to temporarily restricted support at the time of receipt and as satisfaction of activity restrictions.

Contributed merchandise and other in-kind contributions are reflected as contributions at their estimated fair values when received or when an unconditional promise to give has been made.

Estimates

ACS CAN prepares its financial statements in conformity with accounting principles generally accepted in the United States of America which require that management make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

2. Fixed Assets

Fixed assets as of December 31, 2016 and 2015 are as follows:

	 2016	 2015
Leasehold improvements	\$ 573,092	\$ 573,092
Furniture, fixtures, equipment, and other capitalized assets	483,087	483,087
Less: accumulated depreciation	 (577,681)	 (467,963)
Net fixed assets	\$ 478,498	\$ 588,216

Depreciation expense incurred for the years ended December 31, 2016 and 2015 was \$132,568 and \$136,378, respectively.

3. Retirement Benefit Plans

ACS CAN participates in the American Cancer Society, Inc. Retirement Annuity Plan ("the Plan"), a noncontributory defined benefit pension plan that covers substantially all employees of the Society and participating Affiliates. The Plan's employer identification number is 13-1788491 and the plan number is 012. The financial statements of the Plan are prepared on the accrual basis of accounting. As of December 31, 2016 and 2015, the total fair value of the Plan's assets was \$558,729,000 and \$514,679,000, respectively, and the accumulated benefit obligation was \$732,605,000 and \$706,007,000, respectively. As of January 1, 2016, the plan was funded at 100%, based on regulatory funding levels. ACS CAN made contributions into the Plan of \$2,018,849 and \$3,013,351 during the fiscal years ended December 31, 2016 and 2015, respectively. The benefits to participants are based on years of service and the employees' average compensation over the highest consecutive 36 months during the last ten years of service. Pension expense is recognized by ACS CAN based on the amount to be funded currently, which for the years ended December 31, 2016 and 2015 was \$2,018,453 and \$2,023,134, respectively. As of December 31, 2016 and 2015, the funding requirement was based on a percentage of applicable earnings. ACS CAN's liability for contributions accrued and unpaid as of December 31, 2016 and 2015 was \$168,204 and \$168,601, respectively.

ACS CAN also maintains a nonqualified and unfunded Supplemental Executive Retirement Plan ("SERP") for certain employees whose income exceeds the maximum income that can be considered under the Plan. ACS CAN's liability for benefits accrued and unpaid as of December 31, 2015 was \$103,697. This amount is included in accrued retirement plan benefits in the accompanying Balance Sheets. The SERP was paid out during 2016.

Information related to ACS CAN's SERP as of December 31, 2016 and 2015, and the related changes for the year ended December 31, 2016 and 2015 is as follows:

	Decen	nber 31, 2016	December 31, 2015	
Change in benefit obligation		_		_
Benefit obligation at beginning of period	\$	103,697	\$	99,454

Accumulated benefit obligation	\$	-	\$	103,697

Effective July 1, 2016, the Plan and SERP were frozen and our employees will no longer earn benefits for service performed after that date under the Plan. In addition, ACS CAN enhanced potential benefits available to our employees through our defined contribution plan, including a one-time contribution totaling \$1,316,222 made in 2016.

ACS CAN maintains a defined contribution retirement plan covering substantially all of its full-time employees. For the years ended December 31, 2016 and 2015, contribution expense related to the defined contribution plan totaled \$624,200 and \$407,084, respectively.

4. Postretirement nonpension benefits

ACS CAN participates in the postretirement benefit plan of the Society, which covers substantially all employees of the Society and participating Affiliates. Employees hired prior to January 1, 1995 retiring from the Society on or after attaining age 55 who have rendered at least ten years of service to the Society receive postretirement medical, dental, and life insurance coverage. These benefits are subject to deductibles, co-payment provisions, and other limitations, and the Society may amend or change the postretirement plan periodically. Actuarial information regarding the accumulated postretirement benefit obligation is calculated solely for the postretirement plan as a whole.

The Society accrues the cost of providing postretirement benefits for medical, dental, and life insurance coverage over the active service period of employees and is amortizing the unrecognized transition obligation over 20 years. For the years ended December 31, 2016 and 2015, ACS CAN recognized postretirement benefit (gain) expense of (\$56,118) and \$165,703, respectively. ACS CAN's (asset) liability for postretirement benefits at December 31, 2016 and 2015 was (\$4,677) and \$13,808 respectively.

5. Operating leases

ACS CAN has operating leases for its headquarters and state office in California, which are subject to escalation and expire in 2021 and 2022, respectively. Future minimum annual rentals with non-cancelable terms are as follows as of December 31, 2016:

Pavab	ıle	in	the	next:

12 months	\$ 1,541,378
13-24 months	1,580,149
25-36 months	1,619,832
37-48 months	1,660,365
49-60 months	1,428,632
Thereafter	30,808
Total	\$ 7,861,164

Rental expense from operating leases for the years ended December 31, 2016 and 2015 was \$1,678,845 and \$1,435,251, respectively.

6. Temporarily restricted net assets

Temporarily restricted net assets at December 31, 2016 and 2015 have been restricted by donors in the following manner:

	2016		 2015
Specific geographic locations	\$	106,471	\$ 175,977
Elimination of tobacco use		357,053	259,012
General advocacy and			
lobbying activities		1,205,913	1,054,548
Other		4,603	 115,620
Total	\$	1,674,040	\$ 1,605,157

7. Contributed services, merchandise and other in-kind contributions

ACS CAN recorded contributed services related to professional services provided for mission program activities and professional services received from the Society that supports all mission program and mission support activities. ACS CAN also recorded contributed merchandise in-kind for use at special events. Total contributed services, merchandise, and other in-kind contributions included in the accompanying statements of activities for the years ended December 31, 2016 and 2015 are as follows:

	2016		 2015	
Professional services	\$	162,039	\$ 172,469	
Affiliate personnel services		2,275,143	2,380,032	
In-kind contributions for use at special events		36,117	 42,534	
Total contributed services, merchandise and				
other in-kind contributions at fair value	\$	2,473,299	\$ 2,595,035	

8. Exchange transactions

Exchange transactions are reciprocal transfers in which each party receives and sacrifices something of equal value, as opposed to a nonreciprocal transaction (i.e., a contribution) in which a donor provides resources to support ACS CAN's mission and expects to receive nothing of direct value in exchange. Costs of exchange transactions that benefit the recipient of the exchange and are not directly related to ACS CAN's mission are reported as exchange expenses. Costs related to exchange transactions that directly benefit or support ACS CAN's mission are included with ACS CAN's mission program or mission supporting service expenses.

Exchange transaction revenues and expenses for the years ended December 31, 2016 and 2015 were as follows:

	Excha Inco	•	Exchange Expenses			
	2016	2016 2015		2015		
Special events	\$ 232,164	\$ 284,544	\$ 232,164	\$ 284,544		
Lobby Day	50,939	43,140	-	-		
Other	58,254	32,881_	27,474	19,006		
	\$ 341,357	\$ 360,565	\$ 259,638	\$ 303,550		

ACS CAN conducts special events in which a portion of the gross proceeds paid by the participant represents payment for the direct cost of the benefits received by the participant at the event. Unless a verifiable objective means exists to demonstrate otherwise, the fair value of meals and entertainment provided at special events is measured at the actual cost to ACS CAN. The direct costs of the special events that ultimately benefit the donor rather than ACS CAN are recorded as exchange transaction revenue and exchange transaction expense. All proceeds received in excess of the direct costs are recorded as special events support in the accompanying statements of activities.

9. Activities with joint costs

For the years ended December 31, 2016 and 2015, ACS CAN conducted activities that included fundraising appeals as well as program and management and general components. Those activities included direct mail, telecommunications, and other constituent relationship activities. The costs of conducting those joint activities which met the purpose, audience and content criteria of ASC 958-720-45-28 included a total of \$106,003 and \$364,131 of joint costs for the years ended December 31, 2016 and 2015, respectively, which were functionally allocated as follows:

	2016		2015		
Prevention	\$	38,444	\$	123,587	
Detection/treatment		7,883		26,042	
Patient support		15,693		50,462	
Management and general		16,987		54,967	
Fund-raising		26,996		109,073	
Total	\$	106,003	\$	364,131	

10. Commitments and contingencies

ACS CAN is not a party to any legal claims arising in the course of its normal business activities.

11. Subsequent events

Management has evaluated the need for disclosures and/or adjustments resulting from subsequent events through April 26, 2017, the date the financial statements were available to be issued. During this period, there were no subsequent events that required recognition or disclosure in the financial statements.
